How do you open a savings account?

1. Bring any required identification and/or paperwork such as your state ID, school ID, social security card, and/or piece of mail AND bring any required opening deposit.
2. Bring a co-signer or custodian with their identification if required.
3. Meet with a banker to open your account.
4. Be sure to keep all account information in a safe place and keep all account information private. Make regular deposits to keep saving!
